International students are required to apply for the Electronic Visa Approval Letter (e-VAL) **at least one (1) month before the date of commencement**. It is essential that students comply with all EMGS and Malaysian Immigration Department requirements, processes, and deadlines. Universiti Malaya offers an end-to-end visa application service to assist international students with their visa application process. This service is designed to simplify and expedite visa approval while ensuring full compliance with Malaysian immigration requirements. Please submit your application through eval@um.edu.my.

The University reserves the right to withdraw the offer should there be any discrepancies or invalid information provided in the online application, or if the candidate is not granted the necessary approval from the Malaysian authorities, or is found to be unfit for study due to a medical condition. Please be informed that your application has been processed based on the information and documents you provided. **Submission of inaccurate or falsified data or documents during the application and registration process may result in the revocation or termination of your candidature by the University.**

Thank you.
